these relationships been established? Please explain your relationship with each of these food providers.

Chelan/Douglas Community Action

Northwest Harvest

Community donations

Other

Would it be easier for your food bank to receive additional produce from Community Harvest through your current distributors or would you prefer to work with the gleaning program directly?

In your opinion, what could be done to make your food bank and the larger food bank system in North Central Washington more successful?

What is your biggest constraint or limitation in better serving your community? Please list if there is any way you think Community Harvest may be able to help fill this need.
